TOP 10 REASONS TO BUY A VILLA IN "SPT SILVERWOODS"

01

Impeccable Location

LOCATION IN THE HEART OF NATURE

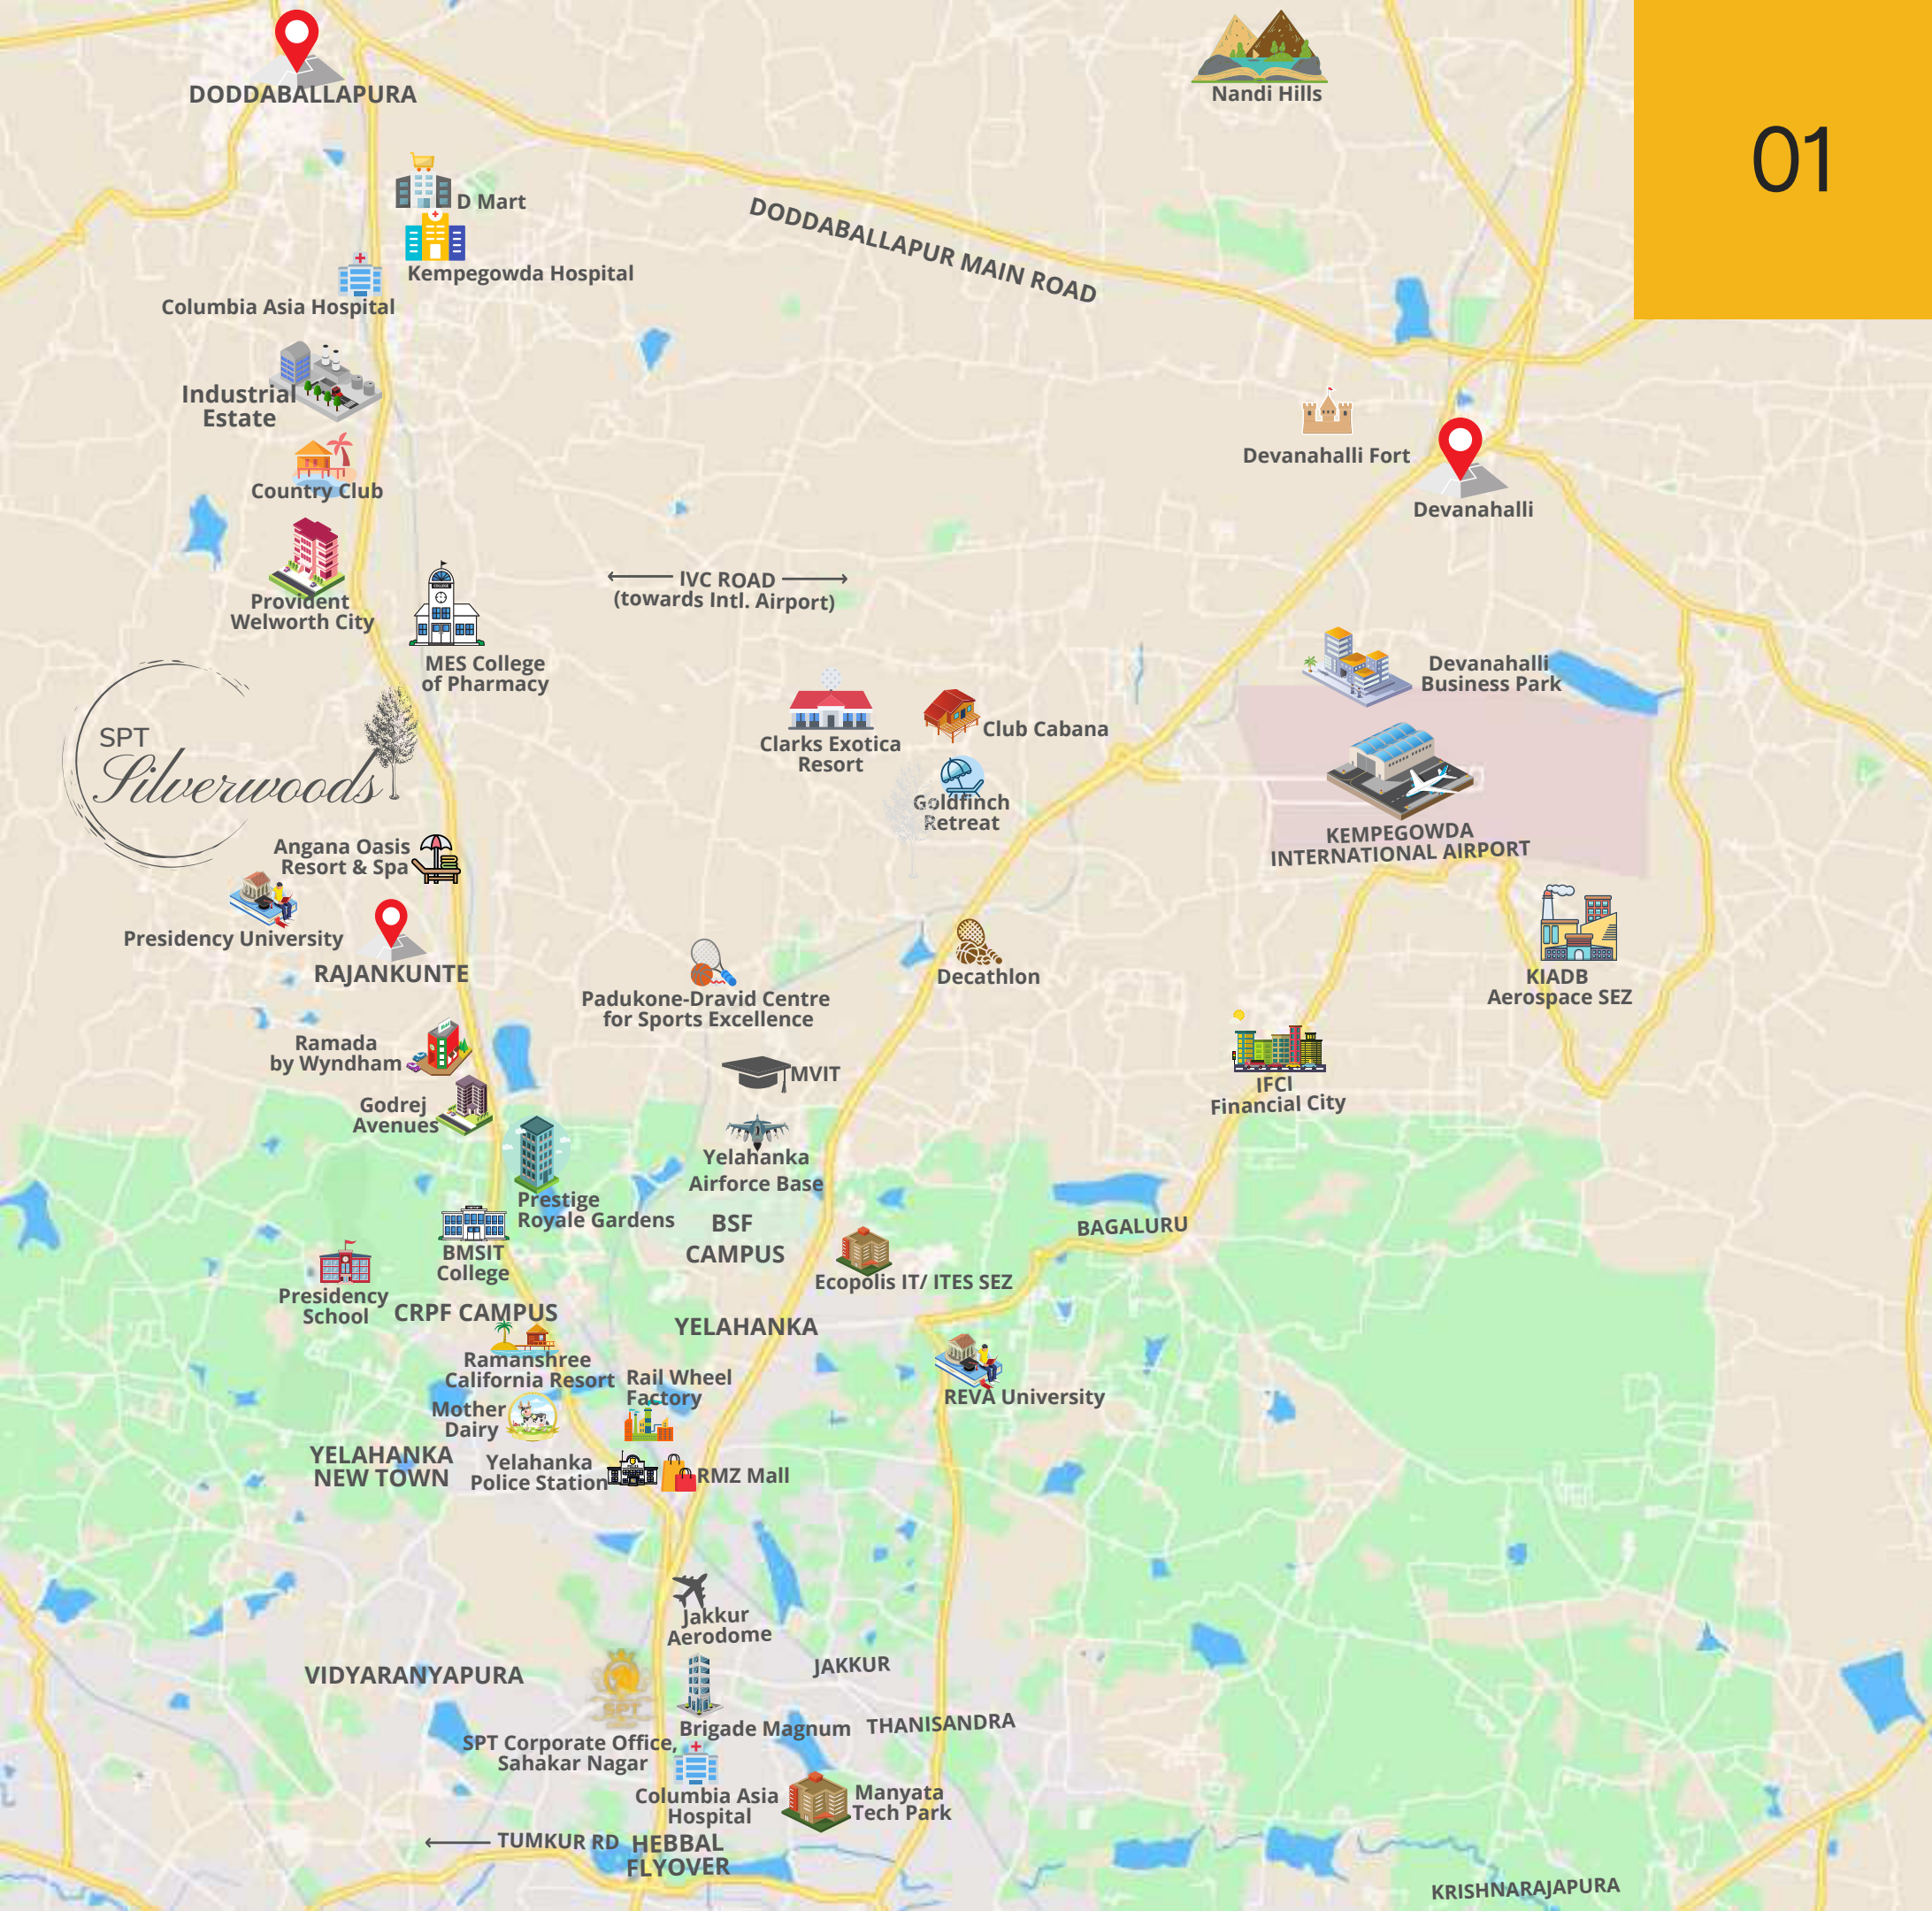

SPT Silverwoods is strategically situated amidst nature to offer you the joy of experiencing the beauty of nature while you're still at your home!

RAPIDLY GROWING NORTH BANGALORE

North Bangalore is the key investment destination in Bangalore with rapid infrastructural growth, great connectivity and planned development.

CLOSE PROXIMITY TO SOCIAL INFRASTRUCTURE

SPT Silverwoods comes with easy access to world-class hospitals, educational institutes, the international airport, business hubs, and other social infrastructure.

65+ Modern Lifestyle Amenities

To make your living experience an absolute delight, the project offers 65+ modern lifestyle amenities (higher than any other project in the vicinity).

With dedicated amenities zones and a large clubhouse, you have an access to whatever you need for a comfortable stay within the project.

SPT Silverwoods offers amenities keeping in mind the requirements of every age group. The project offers more than 55% of open spaces which are well utilized with nature-friendly seating spaces and amenity zones.

02

Global Brands Used for Construction

At SPT Group, quality is our topmost priority and in order to offer the best-in-class quality, we've used all the global brands at SPT Silverwoods.

Each villa at Silverwoods come equipped with top-class specification which assures that your home stays strong for years to come. Some of the brands we use:

KOHLER.

We take pride in offering these global brands to our valued customers and we're the only builders to provide such high-end specifications at pocket-friendly budget.

Fully Vaastu Compliant Villas

Vastu, in the simplest words, is the science of direction that combines all the five elements of nature and balances them with man and materials. It has rules, formulas, and patterns for the construction of houses.

It is believed to bring harmony and aimed towards drawing positive cosmic energy into people's lives. The science behind this is that Vastu calculates rainfall, sunrise, and sunset to figure out the ideal way to construct a house.

Each and every plan at SPT Silverwoods is fully vaastu compliant making it an ideal choice to call your "home".

04

Nature-Friendly Community Living

At SPT Silverwoods, we're proud to offer villas that are located right in the middle of greenery and beautiful nature. These villas are ideal for nature lovers and people who admire the joy of living away from noisy surroundings.

Living at Silverwoods would be a joy in itself as you'd be amazed by the project location that's away from hustle and bustle of maddening traffic and pollution.

SPT Silverwoods assures a peaceful and calm environment that's ideal for living and cherishing some beautiful time with your loved ones.

With 227 Villas of like-minded people, the community of SPT Silverwoods would be one of the best in the vicinity.

Extremely High Value for Money

At SPT Group, we offer the highest value for money to all our valued home-buyers. At SPT Silverwoods, you can expect an amazing return on your investment.

Buying a villa at Silverwoods would definitely prove to be one of the best decisions of your life as we can foresee the prices going up in the coming future for the North Bangalore market.

Silverwoods' project location is unmatched in terms of growth potential in the future and you can be assured of your investment.

06

Legally Approved Project Layout

When it comes to home-buying, legal approvals are critical to ensure that you're putting your money in the right place. SPT Silverwoods has all the necessary approvals available.

✓ **BMRDA APPROVED**

✓ **RERA APPROVED**

PRM/KA/RERA/1251/309/PR/190809/002784

✓ **Environmental Clearance**

Approval Received

✓ **E-Khatha**

Available at the time of Registration

✓ **Project Approvals**

- Approved by HDFC and IDBI
- Loans Available from All Major Banks

Wonderful Connectivity

SPT Silverwoods is well-connected to other parts of the city as well as other cities of India through extensive road, air and rail mediums.

- Road - Easy access to the Outer Ring Road, Yelahanka-Doddaballapur Highway and the International Airport Road
- Air - Multiple options to reach the Kempegowda International Airport (IVC Road, Yelahanka Road, Intl. Airport Road) taking you straight to the International Airport within 35 minutes
- Rail - Rajankunte Metro Station (upcoming) - 5 mins | Yelahanka Railway Station - 15 mins

When you buy a villa at Silverwoods, you get the freedom to commute from your own little nature-friendly paradise to other parts of the city and beyond with ease.

08

Beautifully-Designed Floor Plans

All the floor plans at SPT Silverwoods have been designed meticulously keeping vastu-compliance and practicality in mind.

Each villa at Silverwoods has been carved to perfection with ample open spaces around the villas and you get space for whatever you love to do within your villa.

Some of the salient floor plan features:

- Spacious Car Parking Area
- Large Balconies and Sitout Areas
- Big Private Terraces
- Ample Natural Lighting
- Superb Ventilation
- Dedicated Work Spaces
- Private Home Theatre Room
- Extraordinary Wind Circulation
- High Usable Areas

Best-in-Class Construction Specifications

At SPT Group, we firmly believe that "Quality speaks for itself" and we offer top-notch construction quality across all our projects.

We've ensured that our construction specifications are the best in the market as we never compromise on the quality of homes we deliver. Here's a comparison of specifications that showcases what makes SPT Silverwoods better than other projects:
